

Knights of Columbus Insurance Update

The mission of the Knights of Columbus today remains the same as when it was founded in 1882: to protect Catholic families financially and to help strengthen the Catholic faith of our members.

While the current medical, social and economic issues we face are unsettling, it's not the first time we have risen to meet such challenges. Our Order has stood strong through past crises such as the Spanish flu in 1918, the Great Depression, and the financial crisis of 2008.

Just as we stood together during those times, we stand ready in our own difficult times to provide life insurance, annuities, long term care and disability insurance. As a Knights of Columbus Insurance agent, I am fully equipped and eager to help you understand how the current climate may affect your personal finances and how our products can help.

During these challenging times, I can talk you on the phone (when appropriate) or through a virtual meeting using Skype or similar software. I am ready to answer questions, assist with service-related issues and help show you how you can reduce your financial risk.

As the Knights of Columbus turns 138 years old, it is an opportune moment to thank our founder, Father Michael McGivney, for his foresight in founding an Order that consistently provides reliable financial protection for Catholic families. You do not face the current challenges alone. Our commitment to helping you and your family remains strong.

Vivat Jesus!
