There is Still Hope for Your Marriage

You may feel that there is no hope for your marriage and the hurt is too deep to restore the relationship and love that you once had. The truth is, your life and marriage can be better and stronger than it was before. The goal of Corazon is to help couples soften their heart and get back to the heart of marriage.

Who Is The Program For:

- Couples struggling to communicate
- Couples Struggling to find reason to stay together
- Couples who are cold and distant from each other
- Couples who are living the single/ married lifestyle.
- Couples who are separated/ divorced, but wanting to try again.

Corazon is a weekend experience in which couples will be challenged to soften their hearts by looking at what the Sacrament of Marriage is all about, next we look deeply into our own short-comings and failures, and finally to offer different tools to help heal from hurts we have caused each other and move forward.

Corazon is not a support group, a seminar, a social gathering, nor is it counseling. You will not be asked to share your problems with anyone else. You will be encouraged to participate with open hearts and minds and to come with an attitude ready to put the past behind you and look forward to what the future will hold.
