We’re going back to the Holy Land in 2021!
TULANE CATHOLIC HOLY LAND PILGRIMAGE
May 26 – June 4, 2021

It’s been such a unique year—from the heights of opening the new Chapel in November to the lows of cancelling almost all of our events during the Pandemic. Guided by prayer and your support, we’ve found ways to keep the ministry going during these difficult times. In this Report, we’ll share with you the highlights of the year, and especially how we navigated the pandemic.

Thank you so much for your words of encouragement and your gifts during this time. There’s going to be a lot of work to do in the coming year to keep the Gospel strong on campus and in the hearts of young people—I look forward to it! Thank you!

WELCOME FROM FATHER THOMAS

The pandemic has increased our clarity about what it takes to really help college students become saints. Everything we do is built on three essential things.

FACE-TO-FACE ENCOUNTERS
Faith and holiness come first through encounters with God, with each other, and with the poor and vulnerable.

RADICAL AVAILABILITY
Holiness flourishes in a culture of radical freedom to do what is essential.

FORMATION
A big part of our ministry is providing the environment and coaching necessary for growth in Christian holiness.

Thanks to you, we’re still having encounters, being radically available, and providing formation. Keep reading to see how we live out our 3 essential anchors.

The information to the right represents revenue received and expenses incurred from July 1, 2019 to June 30, 2020. As you’ll note, a certain amount of our support each year comes from the Archdiocese of New Orleans. Our goal is and has been over the last few years to become a vibrant, dynamic and financially self-sustainable ministry by increasing our donation revenue and decreasing the need for this subsidy.

Five years ago, the subsidy was 61% of our total revenue. This past year it was 21%. Thank you for helping Tulane Catholic get closer to this important goal!

DEDICATION MASS OF THE CHAPEL AT ST. MARTIN DE PORRES ON NOVEMBER 6, 2019

Thank you Gayle and Tom Benson and all of YOU who made this beautiful chapel possible through your prayers, support, and generosity! Please come visit for Mass one day!
Step inside our Senior Guys’ Bible Study as you hear from Josh Lacoste, Chase Stockwell and Neil Blanchard. This Bible Study began in Fall 2019 and wrapped up at the end of the Spring 2020 semester. It continued through quarantine and changed the hearts of these men who participated!

Encounter is about maximizing opportunities for people to come face-to-face with each other and with God, who is calling them to union—we believe Encounters are what change people.

Radical availability is not about having free time, it’s about freedom to be able to do what is true and good—what is truly necessary. Are we free to say “yes” to the right thing… or have we tied ourselves down by our inability to say “no” to ourselves and others?

Before quarantine, “Lunch with Padre” took place every Thursday or Friday on Tulane’s Campus. It was a time for the students to have lunch and visit with Father Thomas. During quarantine, “Lunch with Padre” was offered everyday via Zoom.

DURING QUARANTINE: I was very sad because it felt like I was ending this chapter of my life a lot earlier than I expected. Lunch with Padre allowed us to share the struggles and joys that we were going through! It definitely provided me with community when I was lacking it!

Mason Pearcy graduated in May 2020 with a bachelor’s degree in Finance and a Master’s degree in accounting. He entered the Dominicans this summer.

FORMATION

Formation is to form the hearts and minds of college students to live life as faithful adult Catholics.

Students are facing so much fear, discouragement, and uncertainty, but Tulane Catholic will always remain a haven for old and new faces who want to become saints alongside their fellow peers. Daily Mass, weeknight adoration, a weekly walking Rosary, and events like Night Fever were all vital to my spiritual growth and coming to develop a personal relationship with Christ.

Even the atmosphere of Tulane Catholic fosters inner questioning as it is not uncommon to hear a group of students downstairs discussing how God is working in their lives amidst their schoolwork.

Laughlin Grace is from Houma, LA and graduated in May 2020 with a bachelor’s degree in Political Science and English.

On May 24th, we had an outdoor Baccalaureate Mass for our seniors and their families! Many who were in town were able to come while others around the country tuned in virtually!

I received a notification on my computer for the virtual holy hour, and felt a strong invitation to be in the presence of the Lord. [Father Thomas’s words] felt as if they had come directly from [God] the Father. They consoled me and manifested the profound love of the Father, which brought with it an overwhelming sense of peace. It penetrated my heart that had grown weary from the chaos of the world, and I was in tears towards the end of it.

I wanted to thank you and all those involved in continuing to bring Christ to us through media and to let you know that it is reaching souls in spite of these physical barriers.

BACCALAUREATE MASS | MAY 24, 2020

I’m so grateful for Tulane Catholic. The warmth, love, and friendship is tangible when you walk through the doors. I’m so glad my daughter was able to find her place here. I have hope that Tulane Catholic will continue to be an oasis, a blessing, and a home away from home for many students, to come!

**DONOR SPOTLIGHT**

“When I was a student at Tulane, the Catholic Center became the heart of my spiritual growth and stability. As medical students, I brought my new wife, Kim. To support this beautiful Mission now 30 years later is a dream come true. Pax Christi.”

Wes Ely, MD, MPH ’85, ’89

“As Tulane medical school grads, Wes and I have learned through raising our daughters, who went to Tulane, Notre Dame, and Emory, just how critical the college years are for a person’s faith journey. Tulane Catholic is a model template for any college faith community of how to create loving space for young adults to find truth and beauty. This is why we want to support you with all we’ve got!”
