

Christ the King School

Christ the King School, located at Morrell Avenue and Chesterfield Road, came into existence on September 13, 1965

Mission Statement

Christ the King School is a welcoming Catholic community within the Archdiocese of Philadelphia.

While embracing the cultural diversity reflected in the world in which our students will live and work, Christ the King is dedicated to the formation of Catholic youth.

It is our goal to encourage our students to thrive as full and practicing members of the Church.

By keeping the example of Christ as an integral part of daily life, and through the use of traditional and current educational methods, we prepare our young people to be positive and productive members of society.
