NOTES FOR RCIA COORDINATOR

If the inquirer is married and/or his/her spouse was Baptized Catholic and the marriage took place outside of the Church...

The marriage must be rectified sacramentally. The couple should work with the local pastor. The usual requirements for marriage preparation will be asked of the couple with RCIA formation.

If the inquirer is engaged or married and either party has been previously married...

If either party has a previous marriage that has not been resolved with an annulment granted by a diocese, the inquirer should be informed of the need to contact the marriage tribunal as soon as possible, and if necessary, start a case. The local pastor should be informed of the same. Also inform the inquirer immediately that no guarantee can be given that any case submitted to the marriage tribunal will be resolved in time for reception into the Church within the coming year.

If the inquirer was baptized in an Orthodox or Eastern Catholic church, there are special concerns. Please refer to the Office of the Tribunal for direction.
