Greetings, St. Katharine Drexel Prep Family:

As the warmer days of summer approach, I would like to take a moment to share some information with you regarding our Summer Program. The school has purchased summer reading materials for all students. We will have online classes scheduled for each grade level. **The classes will run from June 15th – July 9th, Monday thru Thursday.** Grades 9 – 12 classes will be conducted by Mrs. Handy. Coach McGhee will monitor the 8th Grade math and English classes. Once the novels become available we will send out notices on how you can retrieve them. The Summer Reading Schedule is listed below. The grade level math packets will be available on the school's website www.drexelprep.com.

Students were asked to hold on to their Chrome Books on textbook return day so they could have access to the online classes. If there are any new students who need an electronic device to do their assignments please contact me at esmith@drexelprep.com.

The 8th grade and 9th grade students will receive an online access code for the I-ready Math Program. This program was chosen to allow the students to work at their own pace to sharpen their math skills. They will be monitored daily.
