

**Our Lady of Good Counsel Parish**  
**2020-2021 Religious Education Registration**

**Parent/Guardian Collaboration:** Thank you for your interest in, and commitment to, K-12 religious education. We believe that parents play an integral role in the moral and faith formation of our students and no one can replace the influence that a parent's example has on the spiritual life of a child. By taking time to pray, attend mass regularly, and participate in other aspects of parish life, parents can both reaffirm and enrich other forms of instruction. **In completing this registration form and enrolling a child in the program, the parent agrees to attend a minimum of two meetings with the Director of Religious Education, or their designee, throughout the academic year. The parent agrees to receive *Flocknote* email communication from the parish and that religious education news/updates will be published on the [parish website](#) and [parish Facebook page](#).**
