

**May 14, 2021**

**From the Headmaster**

Congratulations to Molly and Matt Hardebeck on the birth of Michael John Joseph on Thursday .... and to big brother Vincent (pre-K).

The school year is rapidly drawing to a close. High school graduation

will be this coming Thursday, May 20, beginning with 5:45 Mass at Holy Rosary. Our high school graduates are Ryan Fricker and Lauren Ward. The End of Year Program and 8th grade graduation will be the following Thursday, May 27. It will also begin with 5:45 Mass. Students in kindergarten through 8th grade will participate in the program.

**Early Dismissal on Monday**

This is a reminder that we will dismiss early this coming Monday, May 17, for a faculty meeting. Dismissal will be 12:50-1:00. After care will be available beginning at 1:00 through the usual time.

There will also be early dismissal at Noon on Thursday, May 27, the last day of school. There will be no after care that day.

**Attention: 7th Grade Parents**

As noted above, our 8th grade class will celebrate its graduation on the evening of May 27th, as part of the end of the year program. It is a tradition at Lumen Christi for the 7th grade class to host the 8th grade graduation. Parents of 7th graders are asked to go to the [SignUpGenius](#) to see what you can do to help. Or contact Nicole Haywood at [nthaywood@hotmail.com](mailto:nthaywood@hotmail.com) for information.

**Tuition Statements Have Been Sent**

By now all returning families should have received an email from me with your Tuition Worksheet for 2021-22. If you did not receive a worksheet, or if you have questions or concerns, please contact me. We ask that completed worksheets be returned by June 1.

**Lumen Christi Student Travel and Field Trips**

In the past few weeks, it feels like we're finally getting back to normal, with students getting out and about on the trips we missed last spring.

- Last week, the high school traveled to Wisconsin for its annual pilgrimage.
- The 8th grade is currently visiting historic and religious sites in Pennsylvania and will return Saturday night.
- On Thursday, the 6th and 7th grades had a beautiful day outside at the Nina Mason Pulliam EcoLab at Marian University.
- Next Thursday, students in grades 2-5 will spend the day at Conner Prairie.
- And next Friday, kindergarten and 1st grade students will go to Holliday Park.

Many thanks to the faculty and staff who plan and coordinate these trips, and to the parents who help with driving and supervision. Trips like these are an important part of every student's education.
