

February 4, 2022

From the Headmaster

Catholic Schools Week was cut short by the past two days of snow. Please see the note below about rescheduled activities. Fortunately, the forecast is not showing any snow over the next week.

On Wednesday, we had a successful Open House, and enrollment for next year is strong. The pre-K class is full; all siblings in current families are in, but we have two potential families already on a waiting list.

To date we have 27 enrolled in the high school, with two more applications in process. This week we received estimates for renovations to the two high school buildings, and we remain on track to complete the work for the 2022-23 school year.

We were happy to hear this week from Will O'Shea, a former volunteer and substitute at Lumen Christi who is now at the National Seminary in Maynooth, Ireland. Mr. O'Shea sent thanks to all the students who prayed and made cards for him during Vocations Awareness Week in November.

Catholic Schools Week Activities Rescheduled

We have moved the **Teacher Appreciation Lunch** to next Tuesday (Feb. 8), which is a Pizza Day for students. Thanks to all who have signed up to provide food and help serve. We're all set.

We will play the annual **student-teacher volleyball games**, scheduled for today, NEXT Friday, Feb. 11. The day is already scheduled as a Spirit Wear day, and we will allow students to wear sports jerseys and jeans (as we planned for today). **We still need parent volunteers to help supervise during the games from 12:45-2:15. If you can come early for pickup and help, please let me know.**

Winter Weather Notifications

I hope everyone was aware of the snow days yesterday and today. If you want to receive notification by text and are not already on the list, text **@lccsparent** to 81010. Mrs. Mascari would be happy to call you when school is canceled or delayed – just email or call Mrs. Mascari to get on her call list.

The decision to close or delay school can be a close call. If we have school but you think travel is unsafe, we of course respect your decision to keep your children home.

Lost Outerwear – Please mark your clothes

Lost Lumen Christi outerwear – navy blue fleece, sweaters, and sweatshirts – is piling up again. A box of lost items is outside the main office. **PLEASE mark your children's outerwear** so we can return it to them when they leave it in the gym or elsewhere around school. The problem with uniform clothes is that they all look alike!

Family Night Next Saturday, Feb. 12

We're getting ready for Family Night on **Saturday, Feb. 12**. It's a casual night of food and bingo – a good time for the whole family. Please plan to attend. Sign-up forms were in last week's Friday Folders; if you need a copy, the form is also attached to today's Weekly Update.

Pizza orders must be in by Thursday (Feb. 10). I need a few people to help set up tables that Saturday afternoon; if you and/or your children are able to help, please get in touch with me.
