Time and Talent Directory

INTRODUCTION

God has blessed our Parish.
God has blessed our families and households.
Thanks be to God!

Your time, talent, and treasure, the gifts God has given you to share, are important. They help you, when you share them, to grow in the life of Jesus. Your gifts are a key component to the success of our parish mission. With God's grace, they spread God's love and blessings.

This booklet is all about **Time** and **Talent**. It describes over 80 ministries available to you and your family to become instruments through which God's love is shared and the mission of OUR Parish ~ Mary, Queen of the Holy Rosary ~ is spread. Both paid staff and you, the parishioners, generously commit your time and talent to the mission of our parish by participating on these various ministries. Please see our Parish and School websites or Parish Offices for further details about each ministry, including team leaders, contact information, and schedules.

Parish -> www.mqhr.org
School - > www.maryqueenschool.org

All ministries are supervised and evaluated by the Parish Pastoral Council (PPC) in consultation with the Pastor and are usually funded through the parish's operating budget. This is a very effective way to promote real unity, to make effective communication, and to improve our stewardship of parish resources.

As we continue our journey of faith in Stewardship, we appreciate your prayerful consideration of your commitments, all of which express your gratitude for the many gifts bestowed upon you by

By reason of our Baptism, we have been set apart as a people special to God. He has blessed each of us in so many ways. His gifts, his generosity knows no limits. In reality, all that we are and all that we have are God's gifts to us. What we do with these gifts is our response to God; it is our response of stewardship.

Each year we are asked to make our response. As a parish we do this during our Commitment Weekend. As an aid to helping us decide on our time and talents, we ask you to use this booklet. Reflect, pray, discern and decide.

As you do these, begin the process, not with the question "Should I?"

Rather begin with the question "**What should I?**"

Match the talents God has showered on you to the needs you are suited to fill.

There are different gifts but the same Spirit; there are different ministries but the same Lord; there are different works but the same God who accomplishes all of them in everyone.

1 Cor 12:4-6

Our Commitment to Ensuring a Safe Environment . . .

“The church community has a special obligation to children that it carries out with seriousness. In the church’s ordinary life, children are educated in the faith and initiated into the church’s sacramental life. Parishes devote significant energy and resources to the development of their young members, and countless individuals have dedicated themselves to ministering to youth.

Everyone in the community has a responsibility to protect children [and vulnerable adults]—parents, clerics, educators, youth ministers, volunteers working with youth, even youths themselves, and adults who are not directly involved in work with children.”

**Roman Catholic Diocese of Lexington’s Decree
in response to the USCCB’s directives, November 1992.**

What is [CMG connect](#)?

Catholic Mutual Group (CMG) has served as a major insurer to the Catholic Church for over 125 years. CMG’s unparalleled experience working with over 20,000 locations has given them a clear historical advantage of risk management trends and intervention. Out of their commitment to the Church’s mission, Catholic Mutual Group has developed a new program interfaced through [CMG Connect](#). Their website is cmgconnect.org (Choose Lexington.)

[CMG Connect](#) is a web-based platform that will assist us to ensure that all employees and volunteers who are in a position of trust with children and vulnerable adults within our school and parish are trained to recognize behavior patterns of potential abusers and provide pro-active measures for preventing abuse in any context.

“*Safe Haven-It’s Up to You*” is a three-part video which provides vignettes of real-life situations to educate the viewer about methods of grooming, desensitization, bullying and neglect, all of which can lead to abuse. Each part of the video is immediately followed by a brief questionnaire to further develop understanding.

In addition to the “*Safe Haven-It’s Up to You*” video, [CMG Connect](#) will provide a streamlined screening process for employees and volunteers by conducting a secure on-line background check and obtaining electronic signatures on diocesan Code of Conduct documents.

Volunteers/Participants for Safe Environment Ministries:

- Must complete CMG Connect online Training.
- Must read, understand, and complete a [Volunteer Application](#).
- Must read and understand the [Diocese of Lexington Code of Pastoral Conduct](#) and sign Acknowledgement Form.
- Must read and understand the [Diocese of Lexington Technology Code of Pastoral Conduct](#) and Technology Addendum (Social Media) and sign Acknowledgement Form.
- Must have Background Check on file.

Signatures are required for the code of conduct, technology code of conduct, background check and Virtus Certificate (grandfathered) or Safe Haven completion form.

The list of Ministries that requires CMG Connect certification due to direct contact with children or vulnerable adults is on the opposite page.

The intent and purpose of this training is for the protection of minors and vulnerable adults. For the purpose of volunteers or participants who work within positions dealing with assets or confidential information, it is within the discretion of the Business Manager, School Principal, or Pastor if a background check inquiry is necessary.

CHRISTIAN SERVICE/ SOCIAL CONCERNS MINISTRIES

Contact: Cora Mudd (859) 276-4794 mimsy1@windstream.net

Purpose: The Committee on Christian Service/Social Concerns makes efforts to provide service to others. The Committee works to change the social conditions that create needs both within our parish and in the larger community. The mission to which Christ calls the Church clearly includes works of charity and justice. Jesus’ own mission was

characterized from the beginning by what the Church has come to call social ministry — outreach and service to others.

Birthright of Lexington — Offers compassionate and confidential support to any woman who is pregnant, providing the means for a practical alternative to abortion by striving to meet the needs of every pregnant woman who carries her child to birth. The Auxiliary collects maternity and baby clothes for women in need. It also provides parishioners as client volunteers who counsel and support the pregnant women, as well as volunteers in other areas such as Board members, clothing, shelter homes, telephone calling, publicity and fund-raising events. Contact: Diane Monahan (859) 223-9257

emonahan@harefoot.com

mmjalcorn@gmail.com.

Catholic Action Center (CAC) — A “house of hospitality” inspired by the work of Dorothy Day located in downtown Lexington at the corner of 5th and Chestnut. Those with needs are fed and clothed, do laundry, take show-get assistance with housing, jobs, and many other services. There are many opportunities for volunteers to participate in Catholic social teachings to care for, recognize the dignity of, and stand with the poor and vulnerable of Lexington. One way is to prepare and serve meals for them, which our Parish does once a month. Food and clothing can also be donated by leaving it in the box in the cloak room in the Church’s Gathering Area. Contact: Kabby Akers (859) 223-8887 kakers@cdlex.org

Habitat For Humanity — A nonprofit, ecumenical Christian organization dedicated to eliminating substandard housing and homelessness worldwide and to making adequate, affordable shelter a matter of conscience and action. Habitat is founded on the conviction that every man, woman and child should have a simple, decent, affordable place to live in dignity and safety. Volunteers are needed to help in all phases of building a house so that it can become a home. Contact: Mark Buerger (859) 338-6075 lexbuergers@twc.com

B.U.I.L.D. (Building a United Interfaith Lexington through Direct Action) — A group of 24 congregations throughout Lexington who are racially and economically diverse. We come together to change injustices by changing systems through the power of people. We have made great changes for health care, education, women and youth using drugs and alcohol for example. Good things happen when large numbers from the community come together to stand for justice. Team members and Justice Ministry Network members are needed to attend and help organize getting others to attend the Nehemiah Action. Our ultimate goal is to have our average worship attendance reach 400. Contact: Kabby Akers (859) 223-8887 kakers@cdlex.org

Refugees Ministry* — In October 2015 a Congolese refugee family relocated to Lexington and MQHR committed to partner with them. We helped set up their apartments, get clothing for winter and schools, helped with life skills, provided transportation to medical appointments, helped get them enrolled in school, with jobs, transportation to Mass, and most importantly we became their friends and advocates. Along the way we met and befriended other Congolese families who live in the same apartment complex. It has been such a blessing that we would like to do more and even sponsor additional families this year! Volunteers are needed for this re-

warding ministry. Contact: Kabby Akers (859) 223-8887 kakers@cdlex.org or Martha Casher (859) 435-1360 marthacasher405@gmail.com

St. Vincent De Paul Society — Serves the needy families of Lexington by supplying them with food vouchers. A pair of members goes to each home of those seeking help to give them a food voucher. A Sunday collection is taken up yearly to support the society's work. Many parishioners contribute money monthly to the society. The society also operates a small self-supporting grocery store for the residents of the Connie Griffith-Ballard Place housing complex. Contact: Bob Johnson (859) 223-8037 robertbjohnson@earthlink.net

Alzheimer's Caregivers Support Group — The Alzheimer's caregiver's life becomes a long one of loneliness, stress, and an emotional journey that will affect their life in some way forever. This frightening and lonely journey is placed upon many unexpectedly. They begin to feel abandoned and forgotten. It is the purpose and goal of the Alzheimer's Caregivers Support Group to help and give aid to those in this situation. We strive to address the emotions and issues that affect the mind, body and soul. We hope that the program "Feeding the Lambs" touches the concerns of those in the group both mentally and spiritually; however the most important aspect of the program is to let them know that they are not alone. If you are or have been a caregiver of an Alzheimer's patient, I invite you to contact me to participate in the program. Contact: John Borders (859) 865-2848 jbord@roadrunner.com

RECEIVE GRATEFULLY

SCRIPTURE:

“Now He who supplies seed to the sower and bread for food will also supply and increase your store of seed and will enlarge the harvest of your righteousness. You will be made rich in every way so that you can be generous on every occasion, and through us your generosity will result in thanksgiving to God.”

11 Corinthians 9:10-11

COMMENTARY:

All that we have belongs to God. God is the creator of all good gifts and lovingly shares them with us. The gifts of family, wealth, food, laughter and nature are just a few of the many gifts from God.

APPLICATION:

What gifts do you receive from God? How has God blessed you with the gifts of time, talent and treasure? Recognizing that God is the giver of all good gifts, we respond with gratefulness and pray,

Lord, what do You want to do through me to fulfill Your will for our parish?
