Parish-Based Mentor Couple Programs

A married couple, ideally from your parish, will meet with you a number of times to provide one-on-one companionship through the marriage preparation process. When available, Parish-Based Mentor Couple Programs often provide the best context for couples preparing for marriage.

Contact your parish for more information and to register.

Catholic Engaged Encounter Retreat Weekends

An in-depth, private, personal marriage preparation experience within the context of Catholic faith and values. Led by a team of trained married couples and a priest, engaged couples escape for a weekend to privately discuss many aspects of marriage, always from the viewpoint of your own relationship.

Click here for this year’s schedule of Catholic Engaged Encounter Retreats.

Archdiocesan Days for the Engaged

A two-day series of workshops held on two separate Saturdays that help engaged couples explore how the Church understands and imagines both the interpersonal aspects of (Session A) and the couples’ relationship with God (Session B) through the Sacrament of Marriage.

Both Part A and Part B must be completed in either order for a certificate of completion to be received. [Part A then Part B is preferred, but Part B then Part A is allowed.]

Click here for this year’s schedule of Days for the Engaged.

Special Marriage Preparation

A one-day workshop for those who have already been married civilly and are now getting married in the Catholic Church (convalidation) or have already been living together for a substantial period of time.

Click here for this year’s schedule of Special Marriage Preparation dates.
