Welcome Back!

A Note From The Task Force:
We are ready for the 2nd weekend full slate of Masses. We feel our protocol works well and provides the desired optimum safety. We really appreciate your cooperation last weekend with new procedures as we make any necessary adjustments.

Few items to keep in mind:

- Please **wear a mask**, bring your **hand sanitizer,** observe the **social distancing** in seating and **new traffic flow** during Mass.
- **If you are ill**, **more susceptible**, or feel uncomfortable returning to church right now, please know staying home is ok and you can continue to be with us in spirit and **watch Sunday's Mass at 10 am or daily Mass at 9 am on the OLHOC YouTube Channel.**
- When you are ready to return, **please reserve a seat online www.olhoc.org/reopening If you have reservations and are unable to attend**, **please** return to the signup and **cancel your seat** so others may attend Mass.
- **Weekly Offertory** - you may give online, **click here**, or place your envelope/cash donation in the offertory box in the narthex.
- **Weekly Volunteers** are needed as **greeters, ushers**, or **pew sanitizing team**. To volunteer, please click here.

Questions or comments for the Task Force, please contact the parish office.

Volunteers Needed for Mass

Greeters | **Ushers** | **Sanitation Team**
