

August, 2020

Dear Parents/Guardians,

Welcome to Kindergarten! First of all, we want to start off by saying how excited we are about returning to school for the 2020-2021 school year. We love meeting our new families and sharing in this special year with you and your child. I know that this year has been a little, or a lot, different as we have been working to prepare for your child joining us this school year.

In addition to safety, we also want this year to be very positive and fun! Your child will engage in learning daily (whether in person or remote). We will have daily circle time, phonics/letter practice, writing, reading skills/comprehension activities, math lessons, and learn about the importance of God and Jesus in our lives.

With that said, there will be some changes to Kindergarten this year. As we learn more about what the classroom will look like, we will communicate any new information to you (daily routine, homework, gym days, remote learning procedures, etc). One change that we are aware of is, rather than sharing our supplies (pencils/crayons/glue), students will need to have their own individual pencil boxes for their own supplies (please refer to the supply list which will be sent to you for more details).

Again, we are so excited about this school year. There is no challenge big enough to take away from the fun and excitement of Kindergarten. We love Our Lady of Lourdes School and our families! There is no mask that will cover our smiles and excitement as your child joins us in September!

Thank you for choosing to be a part of our OLL Family! We can't wait to meet you!

If you have any questions please feel free to contact me via email at crounds@ollnyc.org.

Sincerely,

Mrs. Rounds

Ms. Neville
