

Dear Members of Sacred Heart Parish,

As you may know from our recent Parish updates and announcements, we are going through a number of changes here at Sacred Heart and we are grateful for your prayers, support and understanding as we continue our restructuring and reorganizing. I am writing this week to inform you that Mr. Jason D'Entremont, our Parish Maintenance Director for the past 14 years, will no longer be providing the services he has given to our Parish and our School as of July 1. Jason's primary responsibility was to oversee the maintenance of our School on a daily basis but he also offered his skills and his services to our Church, our Parish House, our Cemetery and Parish grounds in so many ways and in all seasons and circumstances. As Pastor of Sacred Heart, I am truly grateful for the many, many times Jason responded to emergencies and crises with competence and calm, often resolving potentially serious issues here before they could affect the parish. I turned to him and relied on him at all hours of the day and night and all kinds of weather. He was a trusted contact person for the many businesses and companies that provide assistance and products to our Parish.

In addition, he was a joyful greeter to our children as they arrived at School each day and a wonderful St. Patrick at the annual Parade! I assured Jason that we will certainly call upon him in the future when needed and he has assured me that come December he will be up in the Church Loft decorating our beautiful tree and climbing up the tallest ladder ever to place the star on top.

May God bless Jason in the years ahead and watch over him and his wonderful family.

Thanks for everything, my friend!

*Father John*
