

Healthcare BluebookTM

Whenever—and Wherever—you Need It

Ever want to know what you should pay for an MRI when you're sitting at the doctor's office? You can—simply by using the Healthcare Bluebook mobile app on your iPhone® or Android™ enabled smart phone. The Healthcare Bluebook mobile app is free, and can be downloaded directly from the Apple Store® or Google Play Market™.

Is the Healthcare Bluebook mobile app similar to using the website?

Yes! With the Healthcare Bluebook app, you can access the same price and provider information that's available through the full Healthcare Bluebook website—all with the swipe of your finger.

The healthcare you need at a Fair Price™

Healthcare Bluebook presents you with a recommended Fair Price for treatment in your area. Many common procedures, such as MRIs, colonoscopies and other diagnostic tests will even show you specific providers that offer a good value. Not all procedures and locations currently have specific providers listed, but more are added each month.

Can I access Healthcare Bluebook on my mobile device without downloading an app?

Sure! Downloading the app should only take a couple of minutes, but you can also use Healthcare Bluebook on your mobile device by following the easy steps below:
