at St. Charles Borromeo School, 288 E Jefferson, Hampshire 847-683-3450 [scbk8.org](http://scbk8.org)

## GREETING

Each child is greeted at the front door by his/her teacher with a smile and a "Good morning" and walks into his/her classroom.

## CENTERS

Children do themed activities at the tables including an art project, play dough, math manipulatives or games, literacy games and activities, science exploration and puzzles.

## CIRCLE TIME

As a group, we do calendar, sing songs, read a story, play a game and/or a fingerplay.

## SNACK TIME

Children bring a snack for the class to share to build a sense of community. This allows us another opportunity to pray together.

## FREE PLAY

Children independently choose what games/toys to play with.

## CURRICULUM/SMALL GROUPS

Teacher meets with small groups during this time to assess individual progress as the children complete a themed activity.
