

About

Arise: Put On the Armour of Light is in response to the needs of women who have longed for a renewal on faith, strength and community in the midst of these trying times. Inspired by the boldness and courage of St. Joan of Arc and call for each of us in scripture:

...You know what hour it is, how it is full time now for you to wake from sleep. For salvation is nearer to us now than when we first believed; the night is far gone, the day is at hand. Let us then "cast off the works of darkness and put on the armour of light."
(Romans 13:11-12, RSV)

Encounter

Jesus is not limited by our circumstances and He desires, always, at all times, to meet us where we are at. Through powerful and engaging talks, small group discussion, praise & worship, and opportunities for prayer we will encounter Jesus in our homes, parishes or wherever you find yourself experiencing this retreat.

Community

This retreat has been designed as a small group experience. Gather together with a few other women in your home, parish or meeting space, within your current provincial or state Covid-19 protocols, and encourage one another, prayer with each other, laugh together, and support one another as we are challenged to grow deeper in our faith.
