Art Club: Student Teacher Program

After school enrichment art club starts Monday, October 7th. This is an 8-week session where peer mentors (6th, 7th and 8th grade students) will work in pairs to co-lead groups of 4-6 younger students in weekly sessions in which we will be exploring a variety of art mediums through exciting hands-on art making experiences.

The Art Club: Student Teacher Program gives students the opportunity to interact with younger students -building leaders along with relationships while also bringing a stronger sense of community to our school. Due to limited space, only (8) 6th, 7th and 8th grade students will be allowed to participate in the Art Club: Student Teacher Program. Students will be chosen based on their commitment, desire, and dedication to this activity. All interested students must sign up and complete a permission form no later than Oct. 4th, 2019.

Students need to be picked up at the front door (by the steps) by 4:30. Students will go to SMEED if they are not picked up by 4:30.

Permission form is attached to this letter.
