

March 31, 2020

Dear St. Patrick School Families,

I pray that this last day of March finds you doing well. I wanted to take the time to update you on a few things today.

Easter/Spring Break

We had 136 families participate in the recent survey regarding whether or not to keep our Easter/Spring Break the same or shorten it. Right at 80% of those who responded requested that the break be shortened. With that, we will have an abbreviated schedule next Wednesday, April 8, with teachers providing students with Lenten activities for the “noon dismissal” day. Digital learning will resume on Thursday, April 16. Once we know more about our remaining April, May and June schedules, we will determine when and how best to use these days.

Middle School Schedule

After just two days of moving the Middle School students to a block schedule, we are seeing great success for the students as well as the teachers! The feedback from everyone has been overwhelmingly positive. Thank you parents for partnering with us to make this happen. This schedule will expand to Grades 4 & 5 starting Monday, April 6.

Spring Concert/Spring Band Concert/Spring Musical

We have postponed the Spring Concert, Spring Band Concert and the Grade 8 Spring Musical. Once we know more about our return to the school building, we will reschedule these important student and family events.

Additionally, please be sure you are reading my blog regularly for information and updates. You can find it at <https://sites.google.com/st-pats.org/drrossblog/home> or on the homepage of the website at www.st-pats-school.org.

I thank you again for being a partner with St. Patrick School. We appreciate your support and commitment.

Blessings,

Christine Ross, Ed. D
Principal
