

2018-2019 CCD Parent Interest Form

Our parish programs for the Religious Education of children *depend on volunteers*. They are the lifeblood of all that is done in our parish. In order for us to provide the best programs possible for all of our children, we need many volunteers. For that reason all parents are asked to participate as a volunteer in some way. Below you will find a list of all the volunteer duties needed in our program. Read them over and decide how you can assist. Check those areas in which you are most interested.
