Dear Parents and Guardians,

As we begin the 2nd Quarter of the 2020-2021 school year, we wish to remind you of a few important items to ensure the success of our students during these difficult times.

- All assignments and due dates are posted on Google Classroom. All parents have been invited as Guardians to their child's Google Classroom account. If you cannot access this or have any technical questions, please contact techsupport@sibdhs.org.
- The current pandemic situation has caused significant struggles for many students. If your child is struggling physically, mentally, or emotionally, please do not hesitate to contact their Guidance Counselor or our school Social Worker. Contact information can be found on our website. Remember, we are here to help you!
- Although we are using Google Classroom exclusively for academic issues, you can still utilize Plus Portals to check your child's attendance and disciplinary records. Overall averages may also be found on Plus Portals, however, please understand that grades may change frequently, as teachers continue to add grades to their virtual gradebook.

Thank you for your attention and cooperation. We sincerely appreciate all of the time and effort you have put into assisting your child's educational journey.

Sincerely,

Biagio M. Arpino
Principal
