

HISTORY OF OUR RELATIONSHIP

Since 2003, when St. Michael's began its Haiti Twinning Ministry with St. John Baptiste, we've had one goal in mind and that was to build lasting relationships with the people in Dos Palais, Haiti.

Through this growing relationship, we have improved the health and well-being of the community, where malnourishment and poor sanitation was prevalent, through the following projects....

BUILDING OF A NEW SCHOOL
EDUCATIONAL SUPPORT
BUILDING OF A NEW CHURCH
WATER DISTRIBUTION
PERSONAL HEALTH AWARENESS
BUILDING OF A LOCAL CLINIC
COMMUNITY DEVELOPMENT

There is so much more to learn about what St. Michael's does through the Haiti Twinning Ministry. Please check out the website or email us your questions.
