## The Why

In what must lie a why
To do
Has a purpose
A meaning
Cannot be without thought
Search not for the what
But find the why
Why must this happen?
Why do I choose this path?
The what is here
But the why should never be lost.

The Why

## THE NEWS

Hello fellow SAS Students,

A Service Society is coming your way. This society is where you will use your knowledge and faith to serve others like Jesus. This year we will be working on four service projects -Meals on Wheels'/Pet Pantry, Homefront/winter wear clothing drive, Mt Carmel Guild/fun and games fundraiser and TASK/hygiene bags. Mrs. Meyer has generously agreed to be our group's advisor. All projects will be conducted at St. Ann School. This organization will be held every other Monday during lunch and recess. This club will run from October 16, 2023 to May 20, 2024. Only 15 students are eligible to join, from grades 5th through 8th. The club comes with no fees. To join or ask questions please contact me through email at lgreve25@stann-school.org. More information will be coming!

> Thank You Sincerely Mrs. Meyer and Leah Greve
