## **Where Faith & Knowledge Meet**

January 2024

**Dear Saint Ann Families,**

**Your child is a gift from God and a great responsibility. As you know, during these important growing-up years, you are the most important influence in your child's life. However, passing on faith to our children and building a Christian family needs the support and encouragement of the Christian community.**

**During the month of January, under the direction of the Diocese of Trenton, we are supplementing our regular religious education instruction with a family life focus with the goal of learning more about the virtues of Christian family living. The series is called Loyola Press Growing With God for grades K-5. The series Benzinger Family Life for Grades 6-8. It includes simple explanations of the Church's Teaching with regards to living a healthy and holy family life. It will help your child to make the connection between what was learned in the classroom and living at home.**
