An Angels Debut - Red House Duo

Red House Duo is a professional ensemble composed of a husband & wife musical team, Wesley & Denet. Together, they are a much sought after team, having performed extensively throughout Asia, The Middle East, the US, and Latin America. Currently based in Sohar Oman, Wesley & Denet are performing locally and also sharing their knowledge of music with their eager music students. Our students at St Stephen are fortunate to have Denet as their music teacher.

The Duo caters to sophisticated audiences, as their sound has been summarized as sultry, sexy, and smart. They specialize in performing soulful hits from the 20th century and groovy chart toppers of today. In their extensive repertoire, there is something for everyone to enjoy.

Angels Among Us is much more than a Gala and a Fundraiser. It is a 24 year old tradition that celebrates our community and reminds us why our children are what really is most important. We come together to celebrate the love and joy we share as a faith filled community while reinforcing our belief and trust in the SSCS mission. A heartfelt thank you to our school parents, our parishioners and our friends for joining us and sharing this evening in support of Our Lord's most precious gift, our children.

Angels Among Us appreciates donations throughout the year. Donations can be mailed to 10424 St. Stephen Circle, Riverview, FL 33569 or contact Nicki Gallagher at 813.741.9203 to discuss the many ways you can support our students.
