Dear Sisters and Brothers in Christ,

Our Catholic burial grounds have a special place in our hearts and minds as people of faith. These grounds are held as sacred places by the Catholic Church and the faithful. Our burial grounds hold the mortal remains of family and friends awaiting the Resurrection.

The Church expects those who have been baptized as Catholics to take full advantage of the Order of Christian Funerals. These rites include: prayers at the time of death and thereafter, a wake service allowing time for prayers and support, a Mass of Christian Burial celebrated for both the living and the dead, and burial in a Catholic Cemetery as the final resting place for those who have fallen asleep in Christ. The Catholic Cemeteries also

welcomes family members from other faith traditions; those who were together in life should not be separated in death.

Each visit to a Catholic Cemetery is a reminder to us of the love, fellowship and faith that we have shared with our deceased family members and friends. Each cemetery visit is also a reminder of Jesus Christ's promise to everlasting life.

Death as seen through the eyes of a Christian is not the end; it is simply a natural passageway to everlasting life. Burial in a Catholic Cemetery is a statement of continued belief in that everlasting life, even in death.

In today's changing and uncertain world, the Catholic Cemeteries will welcome and serve you and your family. Remember to state your preference for a Catholic Cemetery when planning funeral services.

Devotedly yours in Christ,

Most Reverend Joseph E. Kurtz, D.D. Archbishop of Louisville

rugh E. Kurt

Dear Brothers and Sisters in Christ,

The Saint Catherine of Alexandria parish community and Cemetery has been serving the spiritual needs of the City of New Haven and southern Nelson County since 1844. Our beautiful cemetery consists of 13 acres of picturesque rolling acres adjacent to our Church property, making it an ideal location as the final resting place for our loved ones who have gone before us.

As the Archbishop mentioned in his introductory letter, all Roman Catholics are invited to take advantage of our cemetery for our loved ones who have passed from this life to the next.

In the future, or from time to time, you will continue to hear about opportunities to financially support our cemetery for generations to come. For instance, funds are always needed to help provide perpetual care for our cemetery and its grounds. As needs are determined, looking forward, our cemetery will continue to grow and will need to be further developed. Our cemetery committee stands ready to answer any questions you may have and asks for your continued prayers and support.

We at St. Catherine of Alexandria Catholic Church stand ready to continue the excellent support of its members as well as those who have gone before us. When visiting our cemetery, we hope you enjoy your stay and if you have any questions or suggestions, please contact the office to make them known.

Sincerely,

Rev. Matthew Hardesty Pastor

PURPOSE OF ST CATHERINE CEMETERY

St Catherine of Alexandria Parish Cemetery (SCC) in New Haven, Kentucky is a ministry of the Archdiocese of Louisville. We offer the sacred rite of burial to the Catholic community and all of God's people. We commit ourselves to the Gospel and Catholic tradition. We affirm the sacredness of human life and profess the resurrection of the body and life everlasting.

A Catholic cemetery is a place that serves the faithful and witnesses to the Good News of Jesus Christ and the hope we share in the resurrection. To this end, it is a place where the signs and symbols of our Catholic faith are displayed with pride and reverence.

St Catherine Cemetery is intended for the interment of Catholics and non-Catholics who are entitled to Christian burial according to the rules and disciplines of the Roman Catholic Church. Any question of the burial of any person not entitled to Christian burial shall be decided exclusively by Cemetery Management in consultation with proper Church authority, and such decision shall be final and binding on the parties.

St Catherine Cemetery sells graves to Catholics and to others. Inscriptions on memorial markers are permitted so long as they do not conflict with any teachings of the Church. Determination as to the appropriateness of any inscription or symbol is the judgement of Cemetery Management in consultation with proper Church authority.

St. Catherine Cemetery will comply with the laws of the Commonwealth of Kentucky and follow the policies set forth by Catholic Cemeteries of the Archdiocese of Louisville.

SCC hereby adopts the following Policy for the mutual protection and benefit of the lot owners and the cemetery. All lot owners and persons using the cemetery shall be subject to said Policy and Amendments, as shall be adopted by the Cemetery Management of SCC. Any document or agreement that references this policy in the document shall have the same force and effect as if set forth in full therein. We reserve the right to modify this document as circumstances change and new issues arise.

This Policy has been developed with decades of experience of what promotes the common good. SCC asks all lot owners and visitors to observe this policy. With the help and support of those who frequent our cemetery, we will work to keep this cemetery a beautiful, holy & peaceful resting place for our loved ones.

Perpetual Care shall in no case mean the maintenance, repair or replacement of any memorial placed upon any lot.
