Ash Wednesday—

Ash Wednesday is March 1st. For planning purposes, the following is the liturgical schedule for the day:

Mass with the Distribution of Ashes:

7 am, Noon, 5 PM

Distribution of Ashes Outside of Mass:

7:00 pm

There are regulations that accompany and support our spiritual practices during Lent. The Church being the body of Christ is a community of persons. The community acts as one in many ways including what is done during Lent. Here's what we observe and do.

- *Days we abstain from consuming meat: Ash Wednesday and the Fridays of Lent*
- *Days we fast: Ash Wednesday and Good Friday.*

Abstinence -- Catholics over 14 years of age are bound to the obligation of abstinence. Abstinence is to be observed on Ash Wednesday and on all Fridays of Lent. On days of abstinence, meat may not be eaten at all. Eggs, milk products and condiments made from meat may be eaten. Fish and all cold blooded animals may be eaten (eg., frogs, clams, etc.).

Fast -- Catholics over 18 and up to the beginning of their 60th year are bound to the obligation of fasting. Ash Wednesday and Good Friday are the days of fasting. On these days, only one full meal is allowed. Two other meatless meals, sufficient to maintain strength, may be taken according to each one's needs, but together they should not equal another full meal. Eating between meals is not permitted, but liquids, including milk and fruit juices are allowed. Food necessary for the taking of medications is certainly allowed.

Regarding other weekdays of Lent, participation in daily Mass and the voluntary observance of fasting is recommended. Abstinence from meat on other Fridays of the year is recommended but not required. Additionally, prayer, penance and almsgiving for the sake of world peace is recommended for all Fridays of the year.

Commendable, particularly during Lent, is generosity to local, national and world programs of sharing our abundance, the traditional Lenten Devotions and all the self-denial summed up in the Christian concept of "mortification."

Parish Intern--St. Joseph has recently welcomed Kasey Kaimann, a student at Mt. Mercy University, as a communications intern for her spring semester. Kasey is double majoring in Marketing and Religious Studies and will be assisting staff with various communications-related projects from now through May. She will be attending various parish functions throughout the semester so please take time to greet her and welcome her to our parish.

St. Joseph Offers Small Class Sizes

A unique aspect of St. Joseph Catholic School is the class size. The average size of our kindergarten through eighth grade classes is sixteen students. With small class sizes, teachers have more one-on-one time with students. Smaller class size allows students to be more comfortable participating in class discussions and it creates a sense of community among their peers. Parents feel comfortable contacting teachers knowing their children are receiving individual attention. Teachers are better able to identify signs of learning difficulties as well as strengths the students possess, helping them provide students the best learning experiences to maximize academic success. These are just a few of the many benefits of having a small class
