The Pastor's Pen

The Kingdom of God—There are three parables included in today's gospel. You may hear all three if the long form of the gospel is chosen or one if the short form is proclaimed. No matter what, make sure you check out all three as Jesus is

teaching about the Kingdom of God.

The Kingdom is not always easy to define or describe. A shorthand understanding of it is that the Kingdom is the coming of God's providential will in the world. In the beginning, God created the world in love and all of creation was in right relationship with God. The Garden of Eden, the world, was paradise. Creation participated harmoniously in God's providential will. Adam and Eve lived fully and freely because of it. Everything changed when they sinned. They selfishly chose their desires to be superior to God's will. God's providential care was secondary and his love was insufficient to them in favor of their paltry desires and egoism. Their sin introduced chaos into creation and humanity's relationship with God. Adam and Eve were kicked out of paradise and the world fell apart.

God wasn't satisfied to leave humanity and creation in this irreparably broken state. Working within human history and the consequences of the free decision of Adam and Eve, God called humanity back to himself, culminating with the coming of Jesus into the world who proclaimed the definitive way back to the Father through his teaching and provided for it through his death and resurrection. Jesus made creation even better because of what he did. Where sinfulness once prevailed, grace abounded even more.

God's Kingdom, his reign, is THE way to be and to live. It is healing, forgiveness, restoration and a right relationship with God. Jesus calls us to be a part of the Kingdom and to work for its full coming at the end of time. "Thy Kingdom come, they will be done, on earth as it is in heaven," he taught us to pray. Listen closely to and ponder the parables Jesus uses to teach about the Kingdom. They tell us what it is and how God is bringing it about to its completion. The Kingdom of God is in our midst!

Out of the Office—I will be away from St. Joseph beginning July 29th through August 7th.

Marian Retreat for Men and Women

In 1917, the Blessed Virgin Mary appeared six times to three young children in Fatima, Portugal. She gave them a number of messages and urged them to pray for the conversion of sinners. During this retreat we will review the story of Fatima and what Mary showed the children and what she told them. We will also see how the message of Fatima is still very timely and relevant for us 100 years later. This retreat will be held at American Martyrs Retreat House, 2209 N. Union Rd., Cedar Falls, beginning at 8 PM Friday, August 11th and concluding after lunch on Sunday, August 13th. Fr. Jerry Kopacek is retreat director. For further information or registration please contact American Martyrs Retreat House at DBQAMRHsec@DBQarch.org or #319-266-3543.

The Well Project—During Lent, our parish participated in a project to help an African village in the vicinity of Morogoro, Tanzania, to dig a well to provide fresh water for villagers. The following is a message to us regarding the completion of the well. “The village leaders on behalf of their subordinates expressed their deep gratitude for your generous donation with which the construction of the new well was possible. Getting a sustainable access to safe water will benefit them in different ways such as a considerable reduction of water related diseases and improvement of general welfare of the community. Before the implementation of this project the situation was very hectic, women and children used to walk a long distance and spend a number of hours in searching for water. As a result this could deny their full participation in income generating activities and also the poor academic performance of young

children was another problem contributed to the lack of access to safe water.” The estimated number of beneficiaries is 3000 people.

In case you would like to locate the project area, it is found about 90 miles from Morogoro, Tanzania. The GPS coordinates are: 6°05'47.2"S 37°38'17.9"E.
