We raised \$525.43 to purchase a honeybee hive through Catholic Relief Services! Additional thank yous go to Eddie Bauer for donating the cardboard trees that were turned into our Camp Creation props, The Cotton Gallery for working with us to make our awesome T-shirts, and Hy-Vee for offering a discount on some of our perishable snacks. We are filled with gratitude! Thank you all!

We will also see how the message of Fatima is still very timely and relevant for us 100 years later. This retreat will be held at American Martyrs Retreat House, 2209 N. Union Rd., Cedar Falls, beginning at 8 PM Friday, August 11th and concluding after lunch on Sunday, August 13th. Fr. Jerry Kopacek is retreat director. ### Aging Gracefully Senior Expo

Food vendors will be on location providing free samples and door prizes will be drawn during this event.

**The Well Project**—During Lent, our parish participated in a project to help an African village in the vicinity of Morogoro, Tanzania, to dig a well to provide fresh water for villagers. The following is a message to us regarding the completion of the well. “The village leaders on behalf of their subordinates expressed their deep gratitude for your generous donation with which the construction of the new well was possible. Getting a sustainable access to safe water will benefit them in different ways such as a considerable reduction of water related diseases and improvement of general welfare of the community. Before the implementation of this project the situation was very hectic, women and children used to walk a long distance and spend a number of hours in searching for water. As a result this could deny their full participation in income generating activities and also the poor academic performance of young

children was another problem contributed to the lack of access to safe water.” The estimated number of beneficiaries is 3000 people.

In case you would like to locate the project area, it is found about 90 miles from Morogoro, Tanzania. The GPS coordinates are: 6°05'47.2"S 37°38'17.9"E.
