

We suggest praying this prayer every day this week to remember all that God has given us.

BLESSING FOR ALL CREATION

God of all creation, each morning you send the sun
from the East to bring a new day to birth;
you call the gentle South wind to cool our days
and refresh our lives;
each night the sun sets in the West to bring us the gift
of rest and renewal;
and you summon the great North wind to clothe
the mountaintops in snow and shining splendor.

Send your Holy Spirit over this sacred land we call home,
that the earth may be radiant with your glory
through the care of your people.

From East to West and North to South,
may your blessing be upon every living thing
you have created.

We ask this through Christ, our Lord. Amen.
